**MAGGIE LAWSON MBE, CT Development Manager
Badenoch & Strathspey Community Transport Company**

GETTING AROUND NAIRN, ARDERSIER AND SURROUNDINGS

Nairn has buses, dial-a-bus, community transport association mini-buses and taxis. These services are under-used, yet a comprehensive survey showed there's significant need in the community which they are not meeting. We think a solution is a project which co-ordinates with these existing providers to maximise our use of them and which also offers flexible, affordable transport to the vulnerable, disabled and elderly on low income. With enough support we'll apply for funding to employ a co-ordinator

WE'RE LOOKING FOR VOLUNTEERS

Committee members, co-ordinator, telephonists, drivers with cars

OPEN TO ALL - COME AND FIND OUT MORE
